Sue Parker,
Chief Clerk of the Assembly
State Capitol Room, Room 3196
Sacramento, California

Dear Ms. Parker:

I am writing to clarify the intent of one aspect of AB 1228. The definition of “fast food restaurant” in Section 1474 is not intended to include fast food restaurants that are located within an airport; which are connected to or operated in conjunction with a hotel, event center, theme park, museum, or gambling establishment; or which are located in and operated in conjunction with a building, group of buildings, or campus used for office purposes primarily by a single, for-profit corporation and its affiliates, where the restaurant is part of or subject to a concession or food-service contract, and primarily or exclusively serves employees of that corporation or its affiliates. In an effort to provide as much certainty as possible, I am committed to working collaboratively with labor to develop and pursue legislation next year that codifies the clarification outlined above.

Thank you for the opportunity to clarify this intent.

Sincerely,
